Kyong Mazzano, M.A.,
Program Manager
**Advanced Consortium on Cooperation, Conflict
and Complexity**
Earth Institute, Columbia University
kmazzano@ei.columbia.edu

Kyong works across institutions within Columbia University to provide a broad range of support to one of the Co-Directors, Dr. Coleman. She is interested in studying the link between justice and sustainable development and is currently working on a project on the dynamics of (in)justice in the context of social change. She helps coordinate and manage various research projects and AC⁴ programs, and coordinates the Faculty Director's media relations, including interviews and publication dissemination.
