

Dynamical Systems Innovation Lab, July 8-12, 2013

Chris Straw

Chris is currently a Degree Candidate for a Master of Science in Negotiation and Conflict Resolution at Columbia University and an Intern with Columbia's Advanced Consortium for Cooperation, Conflict, and Complexity (AC⁴). Prior to this, she worked in government, private, and non-profit sectors with experience in project management, business operations, and consensus building. Chris has worked in large US federal government organizations (Department of Defense and the Federal Deposit Insurance Corporation), consulting, and NYC independent school environments in a variety of line and management positions with a focus on information systems project management. Current interests focus on mediation and conflict systems within community and organizational contexts. Chris mediates regularly at Community Mediation Services, a community mediation center in Jamaica, Queens, NY.
